SAMPLE DEMONSTRATION DOCUMENT - NOT AN OFFICIAL UNIVERSITY PROCEDURE
Title: University Email Help (Sample)

Problem: I cannot sign in to my university email

1. Check that Caps Lock is off and that you typed your full email address.
2. Use the password reset option on the sign-in page if you forgot your password.
3. If your account is locked after several failed attempts, wait fifteen minutes and try again.
4. Try signing in using a private or incognito browser window to rule out saved-data problems.
5. If nothing works, create a support ticket and mention any error message you see.
